The screenshot displays the SpyHunter 4 Malware Security Suite interface. A registration dialog box is open in the foreground, titled "SpyHunter 4" and "Unregistered Version". The dialog prompts the user to register for the full version to use removal features. It lists benefits such as definition updates, customer support, and product updates. A "Register Now!" button is highlighted in yellow. In the background, the main interface shows a "Scan Results" window with a list of detected threats:
